

# **Khosiwe M Mining**

# ABOUT US

Our company began when we saw a growing demand for reliable, high-quality construction equipment in Mpumalanga.

With a mission to empower local projects, we started small, prioritizing exceptional service and client trust.

Despite initial challenges in securing resources, we built strong relationships with manufacturers and became known for reliability and innovation.

Today, we continue to grow, helping businesses bring their visions to life

# SERVICES

Plant Hire  
Fire Extinguishers  
PPE  
Stockpile Management & Rehabilitation  
Supply of Mine Consumables (Electrical, Pumps, Valves)

# VISION

We want to be the go-to provider for plant hire services across multiple regions, supporting large-scale infrastructure, construction, and mining projects with the best equipment.

We strive towards clients trusting us not just for equipment rentals, but as a strategic partner, offering expert guidance that ensures their success.

We want to leave a legacy by being known for impact-creating jobs, improving industry standards, and contributing to economic development.

# VALUES

## SAFETY FIRST

Prioritizing the safety of employees, clients, and equipment operations ensures long-term success and a strong reputation. Safety should be embedded into every decision and action.

## RELIABILITY

Delivering equipment and services on time and as promised builds trust and loyalty among clients. Being dependable is essential in high-pressure industries like construction and mining.

## QUALITY EXCELLENCE

Upholding high standards in equipment maintenance and client service showcases a commitment to professionalism and operational success.

## SUSTAINABILITY

Operating responsibly with a focus on environmental impact and resource efficiency demonstrates foresight and responsibility to the community.

# GOALS

## Expand Fleet & Services

Invest in a wider range of high-quality machinery to cater to diverse industry needs, from construction to mining and beyond.

## Strengthen Industry Partnerships

Build long-term relationships with suppliers, contractors, and key players to create mutually beneficial opportunities.

## Prioritize Sustainability & Safety

Introduce eco-friendly equipment, promote responsible practices, and maintain the highest safety standards in operations.

## Enhance Customer Experience

ensuring quick response times, transparent pricing, and top-tier service

# OBJECTIVES

## Strategic Partnerships & Growth

Collaborate with construction firms, mining companies and logistics providers to secure long-term contracts.

Networking at industry events and trade expos will build credibility and visibility
